CATHOLIC FOUNDATION OF NORTH GEORGIA

2017-2018 Annual Report

A letter from the President and Chairman

"...so as to give you a future of hope."
– Jeremiah 29:11

Dear brothers and sisters in Christ,

When we work side by side with our generous donors and ministry partners, we see a future ***full of hope,*** possibility and positive change. We see Catholics' desire to change lives and make a real difference in their community. We see their longing to use their gifts to spread the Good News through their parish and beyond.

At the Catholic Foundation, we partner in trust with individual Catholics, parishes, schools and non-profits to translate this hope into impact - impact now, and long-lasting, positive impact in the future. We want to move forward with you on your journey to create a Catholic legacy beyond what we see and touch today. We want to help you translate the desires of your heart into impact that is meaningful to you.

With each generous gift – small or large – ***we as Catholics are creating possibility.*** Possibility that ***our Catholic schools will be thriving*** and sustainable. That ***our churches will grow in their faith*** and share their joy in the Lord. That ***our local non-profits will be able to give hope*** to those struggling in today's world.

With each passing year, we feel increasingly blessed by the numerous Catholics who have put their trust in the Catholic Foundation to help guide their giving journey.

Please join us on this journey. We hope you will become our partner in creating life-altering change in our corner of Georgia both now and in this ***"future of hope."***

God bless you,

James Lanier
Chair, Board of Directors

Nancy Coveny
President

"Mikayla has the ability to thrive, and the right to an inclusive/mainstream, academically challenging educational setting, and the very best life possible. Donors to your organization makes these things possible."

– Charlene, Grandmother

FOCUS+Fragile Kids helps children who are medically fragile or have significant developmental and/or physical disabilities. They comfort families with hospital visits and support groups, offer hope through information and education, and help make equipment available to children in need.

In the fall of 2017, FOCUS+Fragile Kids received a $2500 grant from the Catholic Foundation. This enabled them to provide a Convaid stroller to a child and family in need. Often, basic equipment for these medically fragile children is not covered by insurance or Medicaid.

The recipient of this life-changing stroller was Mikayla. Mikayla is an 8 year old girl who lives with her family in Floyd county. Her grandmother Charlene said that the "super-cool, fire engine red" lightweight stroller helps Mikayla to have the best possible quality of life. It has enabled her to go places, see things, and participate in activities that were impossible with a heavy motorized wheelchair.

Charlene said that Mikayla (who is diagnosed with from Schizencephaly, a developmental birth defect of the brain) is so much more than what you see. "Just because she cannot walk, does not mean she's not going places," said Charlene.

Mikayla is not the only child waiting on equipment that could change the way she goes through life. FOCUS+Fragile kids has 10 families on a waiting list for a Convaid stroller, and many more waiting for other critical equipment.

If you would like to make a gift to provide grants to help worthy organizations such as FOCUS+Fragile kids now and in the future, please contact the Catholic Foundation.

"Sharing our blessings with causes which align with our faith is the reason we established a donor advised fund at the Catholic Foundation. This vehicle allows us to ensure that Catholic causes remain a philanthropic priority for our family."

- Michael Pratt and Nancy Peterman

"As immigrants to this country which has treated us extremely generously, we feel the need to give back, and as Catholics, the Catholic Foundation of North Georgia seemed a natural partner,"

– Peter and Vivian de Kok

DONOR ADVISED FUNDS

A donor advised fund is a flexible, easy to establish option for donors who want to simplify and maximize their charitable giving. A donor advised fund enables you to make charitable gifts to multiple Catholic or public organizations all from one account.

$635,133 granted to 97 ORGANIZATIONS

Peter and Vivian de Kok, parishioners at Immaculate Heart of Mary, had a family foundation they were managing themselves. They thought their wishes would be better served if they transferred it to a donor advised fund at the Catholic Foundation. This removed the burden of paperwork from their children, but still gave them the opportunity of selecting grant recipients that matched their family's interests. The de Koks are passionate about supporting families, and have recommended grants to Retrouvaille, Childkind and Fugees Family from their fund.

NEVER GIVE UP

The Robert Price Never Give Up Scholarship Fund

Robert Price was a loyal, inspirational friend to the students at St. Joseph Catholic School in Marietta. Despite living with a disability, Robert overcame obstacles to become a faithful parishioner of St. Joseph Catholic Church and a proud member of the Knights of Columbus.

Robert was also a faithful attendee at the school Mass. At the end of Mass, Robert would encourage each student to "never give up." "Robert had a big heart and was a friend to our students," shared Principal Dr. Patricia Allen.

After Robert passed away February 5, 2014, the school wanted to celebrate his life. The class of 2015 selected Robert's motto for their spirit shirts and dedicated a hand-painted mural in the gym as their graduation gift.

Inspired by the students, parishioners and parents Paul and Renee Armstrong created The Robert Price "Never Give Up" Scholarship Fund at the Catholic Foundation in his memory. The fund will provide scholarships for middle school students at St. Joseph Catholic School with a heart for service. Scholarship recipients and their families will have the opportunity to serve an organization of their choice and grow in servant leadership.

With the Armstrongs as the catalyst, the impact of their giving has been multiplied. The greater St. Joseph community has embraced this scholarship fund as a reminder of Robert's message of hope and have made gifts to grow the fund.

The Armstrongs hope that Robert's spirit of goodwill, resilience, and compassion will live on in the students. "Our girls loved St. Joe's," shares Paul Armstrong. "Their time at St. Joseph Catholic School prepared them for high school both academically and spiritually. The teachers partnered with us on the faith formation of our children. That was really important to us."

Monsignor Stephen Churchwell

October 4, 1949 - May 31, 2018

"He was private, kind, and humble. He did not need or seek recognition," said Nancy Coveny, President of the Catholic Foundation at the 2018 Deo Gratias event where he was honored after his death. "I am grateful that I can recognize him now and thank him for his service and his love of the Catholic Foundation."

Monsignor Churchwell was a man of God with true commitments to his parish, his fellow priests and to the potential of our Catholic church in the future.

PARISH

In 1984, he began serving as parochial vicar at the Basilica of the Sacred Heart of Jesus in the heart of Atlanta, and was named pastor in 1994. He shepherded parishioners through Mother Teresa's visit and the Olympic Games. He loved the tradition of the more than 100 year old church. He told *The Georgia Bulletin*, it "existed not only when it was easy to be a Catholic, but when it was hard to be a Catholic."

He also held a special place in his heart for Saint Gerard Majella Catholic Church in Fort Oglethorpe, in northwest Georgia. He was blessed to serve as administrator there in the final months of his life.

PRIESTS

Monsignor Churchwell was also deeply committed to retired and senior priests. He served as the manager of the priest's assistance fund for over 20 years, as well as the Priests Retirement Committee. In 2010, he became the archdiocese's first Vicar for Senior Priests, a role where he tended to their personal, medical and financial needs – even overseeing daily care or driving them to the doctor himself.

POTENTIAL

Monsignor Churchwell understood the importance of ensuring that our Catholic community has the resources to serve both now and in the future. He began working with the Catholic Foundation in July 2016, serving on both the Pastors Advisory Council and Board of Directors, sharing his knowledge of canon law and investments.

In working with the Foundation, Monsignor Churchwell did not want to forget those causes that meant the most to him during his life – parish, priests and potential. He took a leadership role in creating his Catholic legacy that will have a lasting impact in our archdiocese. His leadership will be felt forever thanks to his generous gifts.

Monsignor gave gifts to create:

Donor Advised Fund - benefitting St. Gerard Majella Catholic Church during his life, and the Retired Priests Endowment Fund on his death

Gift in Will - benefitting the Basilica of the Sacred Heart of Jesus Endowment Fund, the Catholic Foundation Endowment Fund, and the Retired Priests Endowment Fund

Charitable Gift Annuity - deferring income that could have come to him during his life to benefit the Catholic Foundation Endowment Fund and the Retired Priests Endowment Fund on his death
