Catholic schools are known for academic excellence and spiritual development. The strong education, nurturing environment, and Christ-centered values contribute to the development of many young Catholics.

What is an endowment fund?

While annual giving helps meet immediate needs, the school endowment fund is vital to

ensuring we can fulfill our mission of educating our children both now and in the future.

An endowment fund helps to financially sustain the mission of the school, providing a permanent means of support. Anyone can add to the endowment fund at any time, in any amount.

Our school endowment fund is held and managed by the Catholic Foundation of North Georgia - a non-profit serving the parishes, schools and ministries in The Archdiocese of Atlanta, as well as Catholic individuals and families.

Our Lady of the Assumption Catholic School

Gifts to the school endowment fund will assist in passing on Catholic traditions and values to future generations.

For additional information about making a gift now or a planned gift to the school endowment fund, contact the school development director or the Catholic Foundation. All giving services are free of charge.

OUR MISSION:

The Catholic Foundation of North Georgia helps Catholics make a lasting difference in the community. We attract, professionally manage, and invest gifts to support the current and long term financial needs of parishes, schools, charities, and other ministries.
