"How can I repay the LORD for all the great good done for me?" - Psalm 116:12

Our parish seeks to share the Good News to help our Catholic community grow and thrive for years to come. One way parishioners can help is through a gift now or a planned gift to the parish endowment fund.

What is an endowment fund?

While weekly giving helps meet immediate needs, the parish endowment fund is vital to

ensuring we can fulfill our mission both now and in the future.

An endowment fund helps to financially sustain the mission of the parish, providing a permanent means of support. Anyone can add to the endowment fund at any time, in any amount.

Our parish endowment fund is held and managed by the Catholic Foundation of North Georgia - a non-profit serving the parishes, schools and ministries in The Archdiocese of Atlanta, as well as Catholic individuals and families.

Gifts to the parish endowment fund will ensure our parish has the resources to serve and make a difference in the lives of current and future generations.

For additional information about making a gift now or a planned gift to the parish endowment fund, contact the parish stewardship office or the Catholic Foundation. All giving services are free of charge.

The Catholic Foundation of North Georgia helps Catholics make a lasting difference in the community. We attract, professionally manage, and invest gifts to support the current and long term financial needs of parishes, schools, charities, and other ministries.
